

PRESS CONFERENCE NOTICE

WE ARE TOGETHER.

FOR IMMEDIATE RELEASE

SELMA, ALABAMA – May 16, 2022

Mayor James Perkins, Jr. has scheduled a press conference today, Monday, May 16, 2022 at 3:30 p.m. to give Captain Walter Dailey and Captain Franklin Edwards the opportunity to speak on critical issues involving the fire department's leadership and how the most recent political maneuvers made by the city council impacts the department and their personal lives. Mayor Perkins continues to express his frustrations with the city council's overreach into operations by stating, "this city council has convinced me that they know absolutely nothing about chain of command and span of control; yet, they continue interfering in administrative matters that directly impact the lives of city staff and citizens, and the operations of government." The citizens need to know, 'we have a crisis that they need to address' This city council is out of control and if not stopped, they are going to destroy both public safety departments!

The public is invited. Perkins says, "Public, please pay attention!"
