### RFP

#### 1. Invitation to Service Providers:

Selma, Alabama (the “City”) will receive sealed technical and fee proposals for Solid Waste Collection Services until **Wednesday, May 20, 2026, at 11:00 a.m.** for the above referenced services which are described in the attached schedules. The City invites service providers to submit proposals responsive to the specific requirements set forth in this request for proposals (RFP). Late proposals will not be accepted.

The envelopes containing the proposal **must be sealed**, and addressed to:

**City of Selma, Office of the City Clerk**  
**P.O. Box 450**  
**Selma, AL 36702**

All Proposals must be marked “**Proposal for Solid Waste Collection**” RFP. The envelope must bear on the outside the name and address of the service provider submitting the bid (the “**Contractor**”). No proposal may be withdrawn or modified in any way after the deadline for proposal openings, and no faxed or electronic submissions of proposals will be accepted.

Proposals will be publicly opened immediately following the deadline for submissions of proposals, and only the name(s) of those service providers responding will be mentioned. The proposal opening has been scheduled for **Wednesday, May 20, 2026, at 11:00 a.m.** at the **City of Selma, 222 Broad Street, Council Chambers, 2<sup>nd</sup> Floor, Selma, AL 36701.**

Summary of RFP timetable:

RFP Available: **Wednesday, April 22, 2026**

Pre Proposal Conference: **Wednesday, May 6, 2026**

RFP Deadline for questions: **Wednesday, May 13, 2026**

Submittal Deadline: **Wednesday, May 20, 2026, at 11:00 a.m.**

Proposals must be valid for ninety (90) days following the Submittal Deadline.

The service providers’ response shall include a technical proposal and fee proposal with all other information requested in this Request for Proposal (RFP). The fees shall be the full cost to the Resident, and The City of Selma may request additional information from the proposers, including a presentation if deemed necessary to clarify elements of their bid proposals. The City also reserves the right to make independent investigations as to the qualifications of each service provider, including existing customers, or visits to existing operations.

# INSTRUCTIONS TO PROPOSERS

## 1. RECEIPT AND OPENING OF PROPOSAL

The Selma, Alabama (hereinafter referred to as the "City") invites and will receive Proposals on the forms attached hereto. All information on said forms must be appropriately completed. The bids will be opened publicly and read aloud shortly after the proposal deadline.

## 2. PREPARATION OF THE PROPOSAL

All Proposals shall be made on the Proposal Forms provided. Proposal must be signed by the Proposer. Additional copies of the Proposal Form may be obtained from the City. All unit prices, extended prices, and total lump sum proposed prices must be completely entered on this form in full in ink or typewritten. In the event of a mathematical error, the unit prices shall govern.

If a unit price or a lump sum already entered by the Proposer on the Proposal Form is to be altered, it shall be crossed out with ink and the new unit price or lump sum bid entered above or below it, and initialed by the Proposer in ink.

## 3. PROPOSAL SECURITY AND EVIDENCE OF INSURANCE

Each Proposal must be accompanied by a proposal security in the amount of Fifty Thousand Dollars (\$50,000.00) payable to the City as a guarantee on the part of the Proposer that it will accept and enter into a Franchise to satisfactorily accomplish the scope of work covered by such Proposal and at the rates stated therein. Form of Proposal Security shall be either a certified check payable to the City or a Proposal Security executed by a surety company acceptable to the City and licensed in Alabama. Proposal Security will be returned promptly after the City and the selected Proposer have executed the Franchise, or, if no Franchise has been executed within ninety (90) days after the date of the opening of Proposals, upon demand of the Proposer at any time thereafter.

Each Proposal must also be accompanied by a certificate of insurance evidencing the coverages set forth in Section 11.00 of the Conditions and Specifications.

## 4. EXECUTION OF FRANCHISE

Formal notice of Franchise award shall be mailed by the City to the selected Proposer.

The Proposer to whom the Franchise is to be awarded will be required to execute two (2) copies of the Franchise in the form attached hereto, or in such other form as is determined appropriate by the City Attorney, and to furnish security for performance as required. In case of the Proposer's refusal or failure to do so within ten (10) days after its receipt of formal notice of award, Proposer will be considered to have abandoned all rights and interests in the award, and Proposer's proposal security may be declared forfeited to the City as liquidated damages and the award may then be made to the next best qualified Proposer or the work re-advertised for Proposals as the City may elect.

5. SCOPE OF SERVICE

The services under this Exclusive Franchise shall consist of the items contained in the Proposal, including all incidentals necessary to fully complete said work in accordance with the Franchise Documents. Any and all bidders need to have experience in servicing a City with 4,000 – 6,000 households within the previous 5 years as well as having experience in servicing a City with at least 100 front load dumpsters within the last 5 years.

6. CONDITIONS

Each Proposer shall fully acquaint itself with the site and other conditions relating to execution of the scope of service under the Franchise. Proposers shall thoroughly examine and be familiar with the Conditions and Specifications.

The failure or omission of any Proposer to receive or examine any form, instrument, addendum or other document, or to acquaint itself with existing conditions, shall in no way relieve it of any obligations with respect to its Proposal or to the Franchise as awarded.

ADDENDA EXPLANATIONS

Explanations desired by a prospective Proposer shall be requested of the City in writing, and if explanations are necessary, a reply shall be made in the form of an Addendum, a copy of which will be forwarded to each person who has requested a Proposal form.

Addenda issued to Proposers prior to the date of receipt of Proposals shall become a part of the Franchise Documents, and all Proposals shall include the work described in the Addenda. Addenda shall be posted on the City's bidding portal not later than three (3) days prior to the date fixed for the opening of Proposals.

7. NAME, ADDRESS AND LEGAL STATUS OF THE PROPOSER

The legal status of the Proposer, whether corporation, partnership, or individual, shall also be stated in the Proposal.

A corporation shall execute the Proposal by its duly authorized officers in accordance with its corporate by-laws and shall also list the state in which it is incorporated. A partnership Proposer shall give full names of all partners.

If the Proposer is a joint venture consisting of a combination of any or all of the above entities, each joint venture shall execute the Proposal.

Anyone signing a Proposal as an agent of another or others must submit with his Proposal, legal evidence of his authority to do so.

8. EVALUATION OF PROPOSALS

Proposals for residential solid waste and commercial collection are solicited on the basis of the Proposer's qualifications and rate quotations as specified in the Franchisee's Proposal contained herein.

For purposes of Franchise award, Proposals received will be compared on the basis of an evaluation of the Proposer's qualifications and the summation of the products of the quantities of units times the unit prices bid for those bid items chosen for award. In case of a mathematical error in the Proposal, the unit prices shall govern and any errors found will be corrected by the City for purposes of Proposal evaluation.

Any Proposal may be withdrawn prior to the scheduled time for the opening of Proposals.

Any Proposal received after the time and date specified above shall not be considered and shall be returned to the Proposer unopened.

The City reserves the right not to accept any Proposal or to reject any or all Proposals, and to waive defects or irregularities in any Proposal. The City intends that the Franchise shall be awarded within thirty (30) days following the date that Proposals are publicly opened.

The opening of the Proposal shall not be construed as an acceptance of the Proposer as a qualified, responsible Proposer.

In the event that the City shall require additional certified supporting data regarding the qualifications of the Proposer in order to determine whether it is qualified and responsible, the Proposer may be required to furnish any or all of the following:

- (a) Evidence that the Proposer is capable of commencing work within the time frames required in the Franchise Documents.
- (b) Evidence, in the form and substance satisfactory to City, that Proposer possesses as a going concern the managerial and financial capacities to perform all phases of the work called for in the Franchise Documents.
- (c) Such additional information as will satisfy the City that the Proposer is adequately prepared to fulfill the Franchise

9. DISQUALIFICATION OF PROPOSERS

Although not intended to be a complete list of causes for disqualification, any one or more of the following causes, among others, may be considered sufficient for the disqualification of a Proposer and the rejection of its Proposal:

- (a) Evidence of collusion among Proposers.
- (b) Lack of competency as revealed by financial statements, capability or experience as submitted.
- (c) Lack of responsibility as shown by past work of comparable size within the last 5 years.
- (d) Default on a previous municipal contract or franchise for failure to perform.

## Selection of Successful Contractor

The selection criteria provided herein describes the procedures for evaluation of proposals submitted to the City. The City will select the Contractor that best serves the interests of the City of Selma and the residents. The City reserves the right to waive any irregularities or inconsistencies in the submitted proposals and reject any or all proposals.

### 2. SCOPE OF SERVICES:

#### 2.1 Basic Service Requirements

(a) Curbside Residential Solid Waste Collection:

The Contractor will collect on a weekly basis all properly prepared garbage from each residence subscribing to collection services on the designated collection day that is contained in a single garbage receptacle (or cart) provided to each resident by the Contractor. The Contractor will handle all serviced collection containers in a manner that avoids damage to them. Containers will be returned to the designated setout location at each residence, they will not be thrown or placed in areas where they become obstructions to pedestrians or traffic flow. The Contractor will make collections with a minimum of noise and disturbance to the householder between specified hours. Collection hours are between 7:00 a.m. and 7:00 p.m. Contractors **MUST** adhere to the designated collection times and must be completed in a sanitary manner. All solid waste hauled by the Contractor shall be so contained, tied, covered or enclosed such that leaking, spilling, or blowing are prevented.

(b) Back-Door Service:

Solid Waste Collection will typically occur at the curb; however, the Contractor **will provide** back-door collection services at no additional cost for those customers that can provide documentation from their health care provider that prevents them from placing the cart in the designated area and they can provide proof that there is no additional able bodied person(s) living within the household.

Contractor's employees servicing backdoor collection will be required to follow regular walk patterns for pedestrians while on private property. Employees will take care not to damage property, shrubs, and other plantings. Employees will not be required to expose themselves to danger by vicious animals in order to accomplish collection.

(c.) Commercial Solid Waste Pick Up

The work under this contract shall consist of the items contained in these Specifications, including all supervision, materials, equipment, labor, and all other items necessary to fully complete said work in accordance with the Contract Documents for pick-up of (2 yd to 8 yd containers) from one (1) to five (5) times per week, for Commercial Dumpster service, depending on customer requirements

**Exempt Customers:**

Each month the City will allow a certain number of customers to be eligible for exempt status. This will allow the resident to not have to pay for waste disposal services. This status will be reviewed by the City on a case by case basis. The exempt customer cap will be 10% of the total number of residents that have solid waste service.

**2.2 Additional Services**

(a) Optional Back-Door Service:

In addition, the Contractor will provide the same back-door service described in Section 7.1(b) to any County Resident customer for an additional cost as proposed by the Contractor in its bid, and if the County determines that amount is reasonable and serves the best interest of the County and its residents.

(b) Additional Cart(s):

In addition, the Contractor will provide each resident with the option to have additional garbage receptacles (or carts) for an additional cost to the customer as proposed by the Contractor in its bid.

Term

The terms of the final contract shall be for two (2) years as bid. Service shall commence on **DATE (TBD)** or at such other time as agreed upon, and shall end on **DATE (TBD)**, unless extended or terminated sooner in accordance with the terms of the final contract. The City shall have the option of extending this contract for five (5) additional one (1) year periods. After the first year of service, the contractor shall have the opportunity to submit a price increase based on the cost escalator of the lesser of four (4) percent of the contract or the current Consumer Price Index.

## **Term**

The initial term of the contract shall be two (2) years. Service shall commence on DATE (TBD), or on such other date as may be mutually agreed upon, and shall terminate on DATE (TBD), unless earlier terminated in accordance with this Agreement.

The City shall have the option, at its sole discretion, to extend the contract for up to three (3) additional one-year periods, under the same terms and conditions. Any renewal shall be based on satisfactory performance and must be agreed upon in writing by both parties.

After the first full year of service, the Contractor may request a price adjustment. Any such adjustment shall be limited to the lesser of:

1. Four percent (4%), or
2. The current Consumer Price Index (CPI) in effect at the time of the request.

All proposed price adjustments must be submitted in writing and are subject to approval by the City prior to implementation.

## **Definitions**

Whenever the following terms occur in this document, the interpretation shall have the meaning given as follows:

Curb – for purposes of this contract, curb shall mean the area within five (5) feet of the edge of paving.

Residence – all single-family households.

Residential solid waste garbage - solid waste garbage generated at single family houses including putrescible animal and vegetable wastes resulting from the handling, preparation, cooking and consumption of food.

Service – shall mean the complete removal of stored solid waste garbage and bulk trash from all private residences and the removal of all waste garbage from all commercial businesses within the city limits as covered by the Contract.

The Contractor shall furnish to the City a Certificate of Insurance indicating such coverage has been procured and is in force. The Contractor shall furnish a Certificate of Insurance indicating coverage under a **Workman's Compensation** Policy that meets the State Minimum Requirements. The Contractor is responsible for work-related injuries of the Contractor's employees and subcontractors. The Contractor must provide all equipment and supervision for this contract and assume responsibility for all uninsured subcontractors. The policies described herein shall be issued by insurance companies that are licensed to conduct business in the State of Alabama and have a Best Rating of not less than B+. The Contractor must notify the City ninety (90) days prior to any cancellation, non-renewal, or material change in coverage.

### **Indemnity Requirement**

The Contractor further agrees to protect, defend, and save the City of Selma, its elected and appointed officials, agents, employees and volunteers while working in the scope of their duties as such, harmless from and against any and all claims, demands, and causes of action of any kind or character, including the cost of their defense, arising in favor of the Contractor's employees or third parties on account of bodily or personal injuries, death or damage to property arising out of services performed or omissions of services in any way resulting from the act or omissions of the Contractor and /or its agents, employees, subcontractors, representative or the City of Selma under this agreement.

### **Site Investigation**

In the context of the Bid preparation, the Contractor shall be responsible for visiting the site and becoming thoroughly familiar with the content of the bid specifications. City of Selma staff is available to answer any questions from the contractors. By signing the Bid Form, the contractor certifies that he has investigated and satisfied himself of the site conditions and all components required to fulfill the delivery and execution of the contract work and all other matters which can in any way affect the work under this Contract.

### **Permits and Licenses**

The Contractor shall obtain, at his expense, all permits and licenses required by law or ordinance and maintain the same in full force and effect.

### **Disposal Operations**

All solid waste garbage and trash, upon being removed from the premises where produced or accumulated, shall be transported over a public street, alley, lane, right-of-way or place, to legally designated disposal site. The Contractor shall comply with all applicable solid waste legislation of the State of Alabama and the Alabama Department of Public Health. The City may require verification of this at any time during the contract period. Contractor is responsible for all disposal fees.

### **Supervision by the Contractor**

The Contractor shall personally supervise the work or have a competent foreman or superintendent with authority, satisfactory to the City, to act for it at all times during the progress of the work. The supervisor/foreman shall have a contact phone number and an email address that is accessible to the City staff during normal business hours.

### **Contractor's Personnel**

The Contractor shall pay all wages they are required to pay under federal or state law. A qualified person or persons shall be assigned to be in charge of this operation in the City and the contractor shall assign a *permanent dependable crew*. Contractor shall give the names of crew members to the City with information regarding their experience.

The Contractor's collection employees shall wear a clean uniform or shirt bearing the company's name or have a company issued ID on their person. Each driver must carry a valid driver's license for the type of vehicle being driven.

The City may require the removal of any employee of the Contractor who violates any provision hereof, or who is wanton, negligent, or discourteous in the performance of his duties.

The Contractor shall provide operating and safety training for all personnel. No person shall be denied employment by the Contractor for reasons of age, race, sex, creed, religion, or national origin.

### **Facilities**

The Contractor shall maintain an office within the city limits of Selma, AL equipped with telephone and email and such attendants as may be necessary to receive and handle complaints or to receive instructions and directions from the City between the hours of 8 a.m. and 5 p.m., Monday through Friday, excluding approved holidays.

The Contractor shall provide and maintain radio and/or phone communication with all vehicles used in the performance of this Contract.

### **Repair of Containers**

Repairs and maintenance of the carts will be the responsibility of the Contractor unless the damaged condition was caused by the resident, in which case the resident shall be responsible.

### **Equipment required of the Contractor**

Trucks and other equipment for collecting solid waste garbage from standard containers shall have a tightly closed body to keep to a minimum the nuisance of odors during collection and must be water tight to prevent spillage of wet residue from solid waste garbage from the truck or other equipment body onto the streets, roads, or grounds. Only truck bodies specifically constructed by a recognized manufacturer of this type of specialized equipment for handling of garbage will be acceptable. Sufficient collection equipment shall be maintained and used by the Contractor to perform service in accordance with established schedules approved by the City. The Contractor shall maintain all of his equipment in good working condition at all times. The Contractor shall withdraw from service and promptly repair any piece of equipment which is unsafe, fails to operate properly or otherwise does not meet other provisions of this contract.

The Contractor shall have available to it at all times, reserve equipment which can be put into service the next day should there be a breakdown. Such reserve equipment shall substantially correspond, in size and capability, to the equipment used by the Contractor to perform its duties hereunder.

All trash hauled by the Contractor over public streets of the City in open-type containers or vehicles shall be secured during hauling so as to prevent the release of loose trash. Contractor shall promptly clean up any materials blown during the course of collection or transportation.

### **Routes and Schedules**

The Contractor shall provide the City with schedules of residential collection routes and keep such information current at all times.

Scheduled work shall normally be performed between 7 a.m. and 7 p.m., Monday through Friday. Work at other hours and/or on Saturdays or Sundays will not be required of the Contractor unless he has failed or has been unable to meet the Contract schedule due to unusual or special conditions such as severe ice on the roads, severe flooding, or other extreme conditions. The entire cost of overtime necessary to comply with the schedule shall be paid by the Contractor and shall not be considered a basis for additional reimbursement. The Contractor shall not begin work prior to 7 a.m.

Holidays which interrupt the normal work schedule shall be moved forward or back one or two days, depending upon what day of the week the holiday occurs, so that every scheduled location receives its regularly scheduled weekly service. Service shall return to the normal work schedule within three days.

Whenever the City notifies the Contractor of locations which have not received scheduled service, the Contractor shall service such locations no later than the following day.

### **Required Reporting**

The City requires Contractor to provide monthly reports no later than the 5<sup>th</sup> business day of the following month, detailing the number of accounts/carts serviced, solid waste/trash volume (in tons) collected for the previous month. This can be submitted in any reasonable format, such as email.

The Contractor is not prohibited from contracting directly with residents to provide services in addition to the services specified herein, *provided that*, Contractor shall not advertise or represent to residents that any additional services are required or recommended by the City without the express permission of the City. Contractor may not charge or attempt to charge residents directly for any services authorized to be provided under the official Contract Agreement.

### **Severability**

The City reserves the right to reject any and all bids submitted by prospective contractors. The City reserves the right to terminate the final contract prior to expiration in the event that the successful contractor fails to perform adequately, violates local, state or federal laws in the handling of waste.

### **Option to Extend**

The Contract may be extended by the City under the same terms and conditions for up to five (5) additional one (1) year periods of time. If the City elects to exercise this right, it shall notify the Contractor of its intent to extend the contract and request information of any price increases based on the cost escalator agreed upon in the original contract. Such notice of extension shall be given in writing to the Contractor at least four (4) months prior to the expiration date of the contract. The City reserves the right to reject the proposed price increase and solicit bids or proposals for a new contract.

### **Scope of Work**

The scope of work for this project shall consist of providing all labor, materials, and equipment for the collection and disposal of Residential Solid Waste and Commercial Waste generated in the City, including all the supervision, materials, equipment, labor and all other items necessary to complete said work and services in accordance with the terms of this Agreement.
